

2014 PRNIndiana Annual Recovery Meeting

Post Meeting Review

PRNIndiana held their Annual Recovery Meeting on Wednesday, September 24th, 2014 at the Indiana Pharmacists Alliance Office in Indianapolis. The meeting is held each year in the month of September because it is National Recovery Month. The following outstanding speakers presented important information for PRN participants:

Michael J. Denton, MS, LCAC, LMFT, PRNIndiana Medical Director - Tara Treatment Center, Franklin IN

[Honesty: Best Policy throughout Life] 1.0 hr.

Dishonesty is part of addictive behavior. Honesty with others and yourself is foremost in a recovery plan. Discussion will help you to reprogram yourself on how to be honest again.

Wallace (Wally) Cross, RPh, Addiction Counselor – Presence Behavioral Health, Chicago IL

[Life After Treatment] 1.0 hr.

You thought detox and treatment was tough. Now the real work begins. Discussion will outline how to develop a lifelong recovery plan.

[Employment Interviews: What to Discuss] .25 hr.

During a job interview, you will need to inform prospective employers of your participation in PRN. Learn what to discuss and what not to say to for a successful interview.

James Ryser, MA, LMHC, LCAC, CADACII , Chronic Pain Specialist - IUHealth, Indianapolis IN

[Prevention of Latrogenic Relapse] 1.0 hr.

With the multitude of drugs prescribed to a single patient, adverse doctor-induced, drug reactions are bound to occur. Learn the best way to prevent a Latrogenic Relapse.

Julie Coble ,RPh., Coram – Indianapolis IN

[Community Service Opportunities: Volunteering to Help Others].25 hr.

Volunteering is humbling and gratifying. Discuss how volunteering can turn an addicted life around.

D. Edward (Ed) Hinds, RPh, PRNIndiana Vice Pres. – IUHealth Bloomington Hosp, Bloomington IN

[Choosing a Crucial Mentor: Find the Right Sponsor for You] .25 hr.

Finding the right sponsor can be a difficult quest. Discussion will include tips to a great match.

Scott Kaczynski, RPh, PRNIndiana President – OMNICARE, Knox IN

[Effective Tools to Use in a Successful Recovery Plan] .25 hr.

Recovering alcoholics and addicts need to learn and use the right tools to remain clean and sober throughout life. Presenter will discuss tools to help you as you begin and maintain your recovery plan.

All pharmacists who attended, upon completion and approval of ACPE requirements online, earned 4.0 hours of continuing pharmacy education credit.
